Seriously. The House just upgraded to Office 365, it is a disaster. I think they are attached now?

Tate, Aaron:

Just wanted to make sure you both had copies of the invitations that Congressman Jenkins has sent to Administrator Pruitt. He would love to have him visit West Virginia and tour one of our mines when he has the opportunity. Rep. Jenkins wanted to specifically extend an invitation to the Administrator to attend the WV Business Summit at the end of August. The annual event is

Aug. 30 – Sept. 1st at the Greenbrier Resort in White Sulphur Springs, WV. Please let me know if you have any questions or would like any additional information.

Thank you,

Brian
